Forecast for Sunday 19 Jun 2022

Weather: Although cloudy initially, the cloud will thin and break during the morning leaving a dry and bright day with a lot of afternoon and evening sunshine.

Chance of cloud-free hill tops above 800m: 80% rising to 100%, some early patchy low cloud is possible around the fell tops.

Low cloud and visibility: Patchy low cloud above 600m is possible for northern fell tops in the morning but this will lift and clear with excellent overall visibility expected.
